"Faith in every student"

Dear Sir/Madame,

We are extremely excited to announce that on September 9th 2018, St. Mary's School will host its 5th Annual Golf Tournament at The Pheasant Golf Links. We would like to invite you to be a part of this special day as an event sponsor, participant, or prize donor.

St. Mary's School has been a cornerstone of education in Ontario County for the past 169 years. The legacy of St. Mary's is witnessed in the many graduates who have gone on to careers and colleges yet continue to lend support and allegiance to the place where they spent their formative years. At present, there are 110 families that have children enrolled in the school and the proceeds raised at this golf tournament will help ensure fiscal stability to continue this tradition for years to come.

As a corporate donor, there are many different levels of sponsorship opportunities and ways to get involved. Please reference the enclosed brochure to see all the options available. Your consideration of a tax deductible gift this year would surely make a difference on several levels for all the students of St. Mary's School who continually engage in many activities that benefit the community.

I wish you and your company many blessings, a great remainder of your summer, and I hope you join us for an exciting day of golf on September 9th.

Warmest Regards,

Ann Marie Deutsch
Principal
